Associated Press Sports Writer What a difference a year makes in baseball

If the Cincinnati Reds had to pick a team which contributed most to their 1961 National League pennant, Philadelphia would have won hands down. The Phils curled up and played dead at the mere sight of a Cincinnati uniform, losing 19 of 22

The Reds are finding the Phils a different cup of tea in 1962 They came into Philadelphia fresh from shutout victories over the San Francisco Giants, only to lose three straight to the Phils.

Roy Sievers and Don Demeter did the heavy damage Sunday driving in five runs in a 7-2 rout of Jim O'Toole. Gene Mauch's young men now have an 8-5 edge over the '61 champs for the year.

While the Reds were stumbling, the front-running Los Angeles Dodgers finally snapped out of it and broke a three-game losing streak by beating Houston 6-2. The scrappy Colts had been making mischief in Walter O'Malley's splendiferous new stadium and had rolled up a four-game winning string

By BOB THOMAS AP Movie-Television Writer HOLLYWOOD (AP)-"This was the scene of my failure. That's why I was hesitant to come back.

Polly Bergen was talking about her two Hollywood careers - a dozen years ago as a starlet and today as an accomplished actress. The first time around started when she was barely 17. "In both eases, I quit the studios; they didn't drop me," she recalled. "In the last year I did five pictures at MGM, and I was bad in all of them. I was too young. I didn't know the first thing about acting.

Highlight of Friday's news special-also on NBC-on Germany was a remarkable innovation: the program actually used Germans who could not speak English for interviews. It used instantaneous translations and it was a good idea. Television usually confines its overseas interviews to people than to the best or most intelligent
